

Multi-Sort Indoor Recycling Station Love at First Sight!

Featuring front door access complete with keyed alike built-in-locks making collection easy! Openings are textured to avoid scratches and are interchangeable so you can change as your program evolves, while avoiding high container replacement costs. Time to get creative - doors are manufactured separately, allowing you to choose a two-toned look to complement your indoor atmosphere. Adding custom signage or labels will give a polished appearance while educating your participants on the desired stream collection and reducing contamination.
