

Boka

52 Gallon

Sophisticated Styling & Practical Elegance

This modern stainless steel container combines functionality and flexibility with a remarkably sleek design. Designed with terminals, convention centers, shopping malls and other high-traffic environments that demand fire resistant containers in mind. For outdoor settings, the newly available canopy lid protects the openings from the elements. The Boka will be well-suited for any space demanding a high-end, elegant waste & recycling container. Boka is recycling redefined.

KEY FEATURES:

- Equipped with triangle lock, hinged lid and pivoted bag frame
- Self-extinguishing bin - the shape of the lid directs the combustion gases, cuts off the oxygen supply and extinguishes the fire
- Gas shock assisted lid design
- Canopy lid for rain protection
