Brown

Green

DIMENSIONS

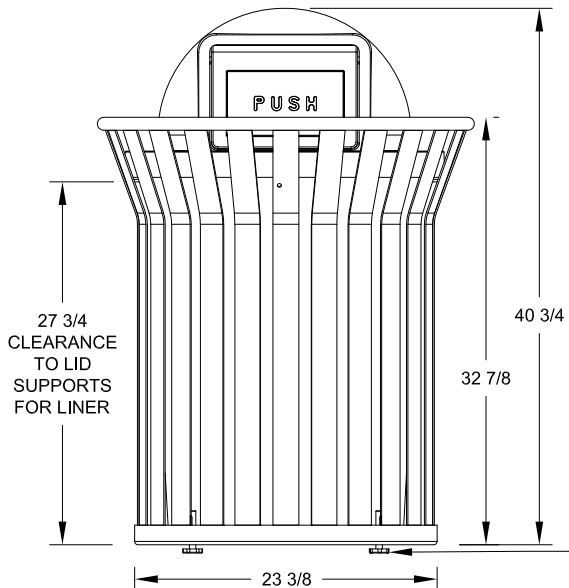

- 29" L x 29" W x 41" H w/lid

CAPACITY

- 36 Gallon

FEATURES

- Welded Steel Fabrication
Powder coat finish on steel receptacle
- Includes - Color-matched plastic dome lid
- Includes - 36-gal plastic liner
- Includes - Security cable for lid
- Trash receptacle is a single welded construction of evenly spaced vertical 1/8" thick x 2" wide steel straps.
- Round container features a flared top with a formed 1" dia. round tube ring to provide strength. Base is a 10 ga. x 1-1/2" flanged steel ring reinforced with die-formed cross braces of 10 ga. x 2" steel bar which facilitates anchoring of receptacle holder to hard surfaces.
- Four threaded adjustable levelers are located inside the base of the receptacle.
- Includes color-matched molded plastic dome lid with self-closing, swing-action push door to keep waste out of sight and rain or snow out of the receptacle.
- Includes 36-gallon heavy-duty rigid plastic liner and cable tie-down kit to attach lid to receptacle frame.

36-gal plastic liner
