The Stainless Steel (SS) Grand Recycler provides an upscale look while supporting your green initiatives. This dual trash and recycling center is perfect for high traffic areas. Receptacle is designed with a heavy gauge steel and can be used indoors or outdoors.

- Includes two removable 20-gallon liners with handles to efficiently store recycled material and discards
- Two half-moon 10"W x 15"L x 31"H liners create a large capacity trash and recycling center
- Attractive split lid keeps your contents easily separated and lifts off for convenient maintenance
- Open top allows for trash or recyclables to be conveniently discarded
- Trash opening: 9"W x 16"L, Recycle opening 4"W x 8 ½"L
- Receptacle meets your sustainability requirements with screened decals to clearly identify this receptacle as a trash and recycling bin
- Constructed of heavy-gauge steel; unit offers greater structural integrity for long service and can be used outdoors
- Bag clips on liners secures trash bag in place to prevent slippage
- Includes bolt-down hardware to protect your investment
- Hygienic surface; no pores to harbor dirt or bacteria
- Made in Malaysia
- 1-year Warranty
